Dig Glow Shark Tooth Fossils

INSTRUCTIONS FOR MAKING NECKLACES

⚠ WARNING:
CHOKING HAZARD – Small parts.
 Not for Children under 3 years.

1 Fold the cord in half and form a loop.

2 Double the tag end of the cord. Make a single overhand knot in the double cord.

3 Bring the loop end through the overhand knot again.

4 Tighten the cord by pulling the loop and tag end with both hands.

5 Trim the cord end around 5cm for bigger shark tooth and 4cm for smaller shark tooth.

6 Place the shark tooth in the loop as diagram shown. Insert the cord end across the loop.

7 Tighten it by pulling the fabric cord.

Follow the diagram and make free adjustable knots at both cord ends.
